Visitors had unlimited privileges to who wanted to make visits, received the Navy Yard yesterday, and officers estimated that about 25,000 persons wisited the reservation and the ships stationed there. Every one of the six dreadnoughts was thrown open to the public. No place on any vessel was a prohibited spot. Even the bridge, where only officers are usually allowed, was a mecca for the visitors.

While the Texas and New York, the navy's biggest vessels, were the centre of attraction, more persons went aboard the Wyoming and the Arkanasa because they were right in the centre of the waterfront.

Give Your Child's Feet the Proper Care

YOU owe it to your children to see that they wear the proper shoes. The bones in a child's foot are easy to injure, consequently great care should be taken in the selection of shoes. The Coward Arch Support Shoe for children supports the

arch, strengthens weak ankles and gives the bones and muscles free play to develop into a shapely foot. Sold Nowhere Else
